Name: LIAOJINRUN

Student | Information Technology

A passionate professional with extensive industry experience and skills, dedicated to achieving excellence in my field.

About Me

My name is **LIAOJINRUN**. I'm a 19-year-old international student from China. Arriving in Malaysia in late December 2024, I currently pursue my studies at **Universiti Teknologi PETRONAS (UTP)**, situated in Bandar Seri Iskandar, Perak 32610. Nearly seven months have passed since my arrival, and I've mostly adjusted to the local lifestyle—though the intense heat still takes some getting used to.

Here, I've made numerous new friends, and the joy of connecting with them enriches my days. UTP's campus life offers a vibrant tapestry of experiences, making every day of my studies both fulfilling and exciting. I feel truly privileged to be part of this academic community.

Personal Stats

- ✓ **Experience:** Independently study various programming courses
- ✓ **Projects Completed:** Personal Profile Introduction
- ✓ **Tech Stack:** HTML, CSS, JavaScript, C++, Python
- ✓ **Tools:** Webpack, Git, Docker
